

Don't declaw... Get Sticky Paws®

Sticky Paws® for Furniture -

- are clear acrylic adhesive strips that apply easily to carpets, counter-tops, drapes, furniture, stereo-speakers and anyplace else you DON'T want cats to be!
- is the original and only effective alternative to declawing because cats hate the sticky feeling on their paws!
- uses a specially formulated, non-toxic water-soluble adhesive that won't harm cats or the furniture, won't leave a stain and won't leave a sticky residue when removed!
- now available in Strips and XL-Sheets for larger problem areas! Up to 9"x12" per sheet coverage!

In 1997, Sticky Paws® for Furniture was voted one of the **"Top 10 Best & Most Effective New Products"** by the editors of *CAT FANCY MAGAZINE!*

In 1999, Sticky Paws® for Furniture received an **"EXCELLENT"** review by the editors of the **CATSUMER REPORT!**

In 2000, Sticky Paws® for Furniture received the first 2-year **"Seal of Approval"** from the **ASPCA** after their veterinarians and behaviorists tested the product and validated our claims!

Sticky Paws® for Plants -

- are brown corrugated plastic strips that are sticky on one side and can be easily cut to size to fit inside any indoor and potted planter!
- stop cats from digging and urinating in plants
- do not have to be removed to water the plants!

In 1999, Sticky Paws® for Plants received an **"EXCELLENT"** review by the editors of the **CATSUMER REPORT!**

In 2000, Sticky Paws® for Plants received the first 2-year **"Seal of Approval"** from the **ASPCA** after their veterinarians and behaviorists tested the product and validated our claims!

SCRATCH THIS® Corrugated Fiberboard Scratcher -

- is a 19"x5"x2" (length – width – height) single-width cat "scratcher" pad that comes with catnip included...and attention-grabbing-eye-popping graphics! If your customers are telling the cat **"no"** with Sticky Paws® – they must say yes to SCRATCH THIS®!
- Works ideally with Sticky Paws® to give cats something they SHOULD and WILL scratch!
